Photographer • Designer • Illustrator

WORK EXPERIENCE

Seasonal Photographer | Shutterstock

November 2021 - January 2022

- Photograph a range of subjects from babies & large families to pets in a fast-paced environment
- Change portrait backgrounds for each session
- Upload and lightly edit photos before selling to customers
- Maintain a clean work environment
- Ensure customers' satisfaction through friendly interactions
- Set up camera, computers, & the day's paperwork during studio opening

Inventory Associate/Product Photographer | Alliance

March 2021-October 2021

- Track & manage warehouse inventory by utilizing spreadsheets
- Photograph merchandise for company website & labeling
- Carefully handle & repackage delicate, expensive, & heavy merchandise

Photography Intern | G3 Communications

June 2019

- Take headshots of employee team members
- Apply digital styling techniques to enhance photos
- Select & set up appropriate props, backdrops, & lighting
- Adjust, modify, & network photos using digital manipulative applications such as Adobe Photoshop & Lightroom
- Experiment with different lighting effects to deliver unique images utilized on company website
